From the Desk of Jim Collins, DGMA President

Dear DGMA Members and Christian Friends,

Our April concert was a great success having the Blackwood Brothers and Brother to Brother sing the "Glory of Jesus". One person gave their heart to Jesus and that makes our concerts worth while!

DGMA has 5 more concerts this year and we are looking forward to seeing you there. There is power in Gospel music! No matter whether you are on the mountain top or in the valley, Jesus gives us hope, joy, peace and contentment in our hearts.

The Taylors are cutting a new song called "Making Me Stronger" which reminds us that God can take a difficult situation and turn it into something that will make us stronger.

We are not ashamed of the Gospel of Jesus Christ!

Sincerely,
Jim Collins, DGMA President

How Does Your Garden Grow?

At this time of year, we see gardens sprouting up here and there. Soon produce will abound and we will enjoy the fruits of the gardener's labor.

In order to gather a bountiful harvest the gardener must keep a close eye on his garden. He stays busy pulling weeds, fertilizing and keeping out pests that would hinder growth.

Our hearts are much like gardens. We must be on constant alert for things that would sprout up and crowd out the good things growing there.

Things like spending time in prayer or Bible study, spending time with other Christians and with God will help us keep our heart gardens healthy and a good place for God to live.

We must not quit, but keep on with God's help so that we will have a wonderful harvest when our time here is complete. May God Bless each one of you as you care for your garden.
